

# Erlang in Healthcare

Benjamin King  
Co-founder and CTO  
Voalté

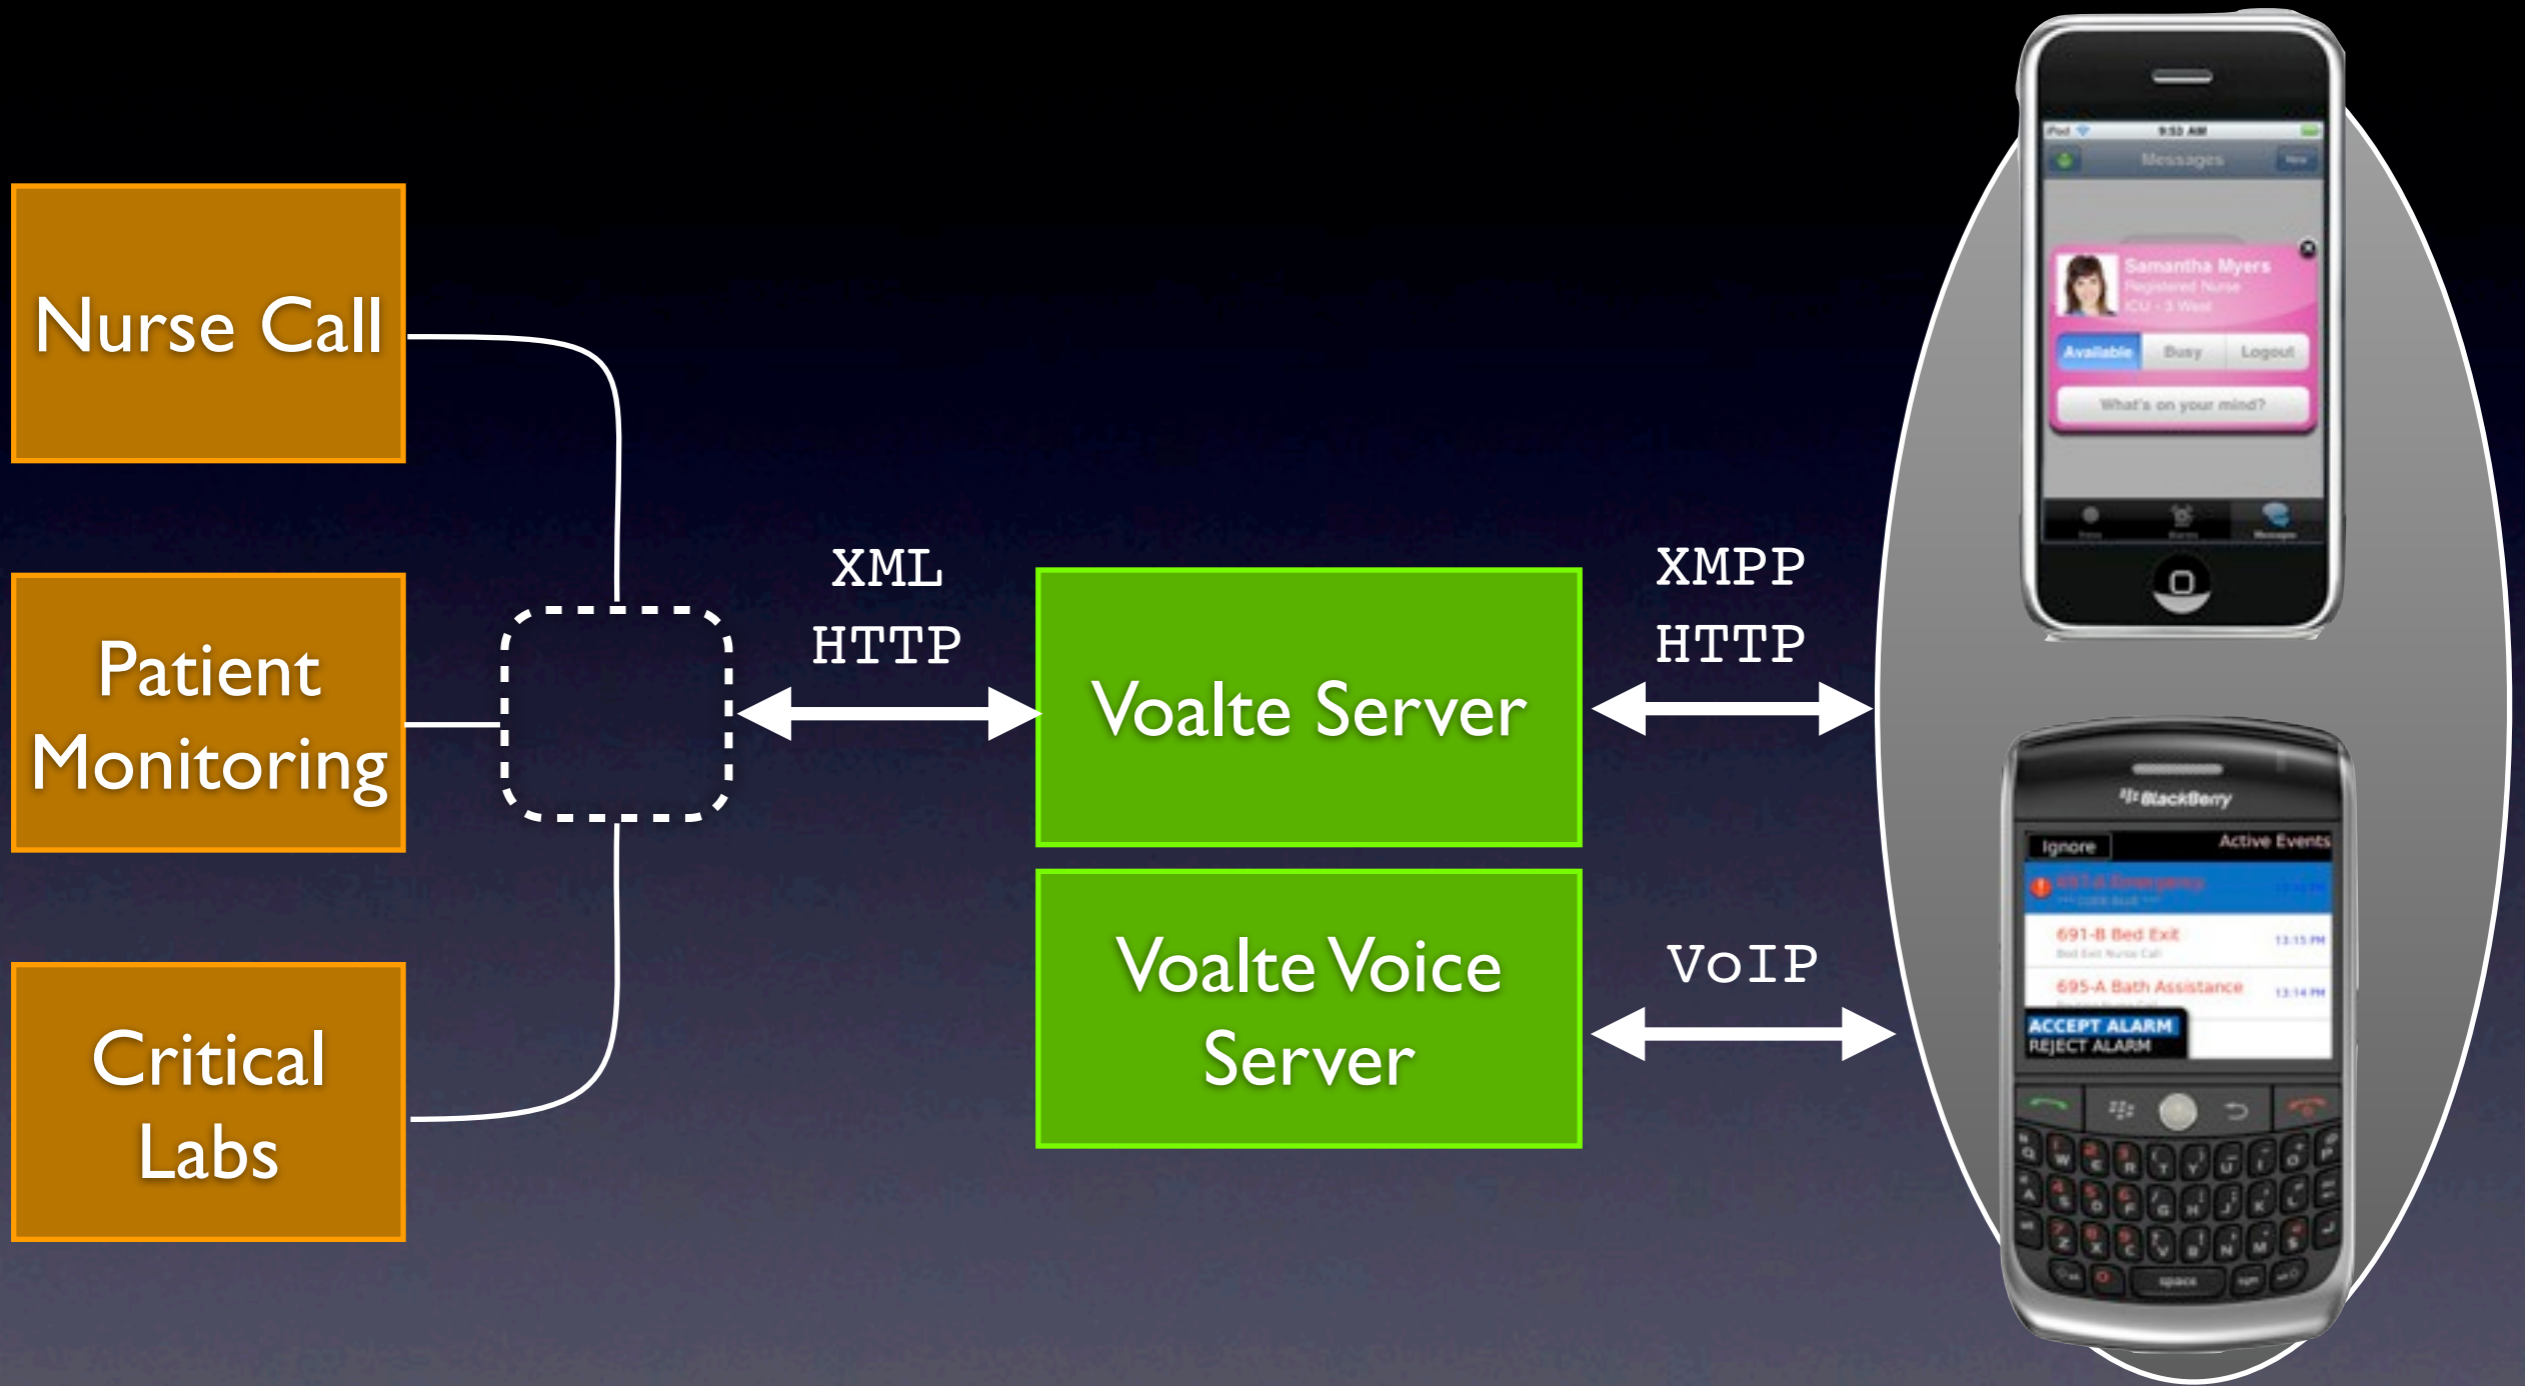

Who?

Why?

# Why?

The same requirements as telecom...

- Highly concurrent
- Distributed
- Fault-tolerant
- Robust
- Real-time
- Hot-code upgrade

# Voalte Server

Voalte Modules

Various Other Projects

Mnesia

YAWS

ejabberd

Erlang

OpenLDAP

Linux

Erlang is amazing...

voalte

Redefining point-of-care communication
